MY CONTRACTOR IS \_\_\_\_\_ PHONE # \_\_\_\_\_

#### CONSTRUCTION DATA

The following is a check list of minimum essential information required for construction permit approval, as applicable to type of construction:

EXTERIOR MODIFICATION OF EXISTING BUILDING, Room Addition, Paint, Etc., specify \_\_\_\_\_

#### **PENALTY FOR WORKING WITHOUT BUILDING/REPAIR APPLICATION WILL BE \$25.**

I certify the information provided in this application is true and correct. I have read, understand and will comply with the CC&R's applicable to my unit. I understand and I may not begin any Construction without having secured an Approved Construction permit. I accept this application must be submitted no later than 5 pm. on the Wednesday before the Tuesday Architectural Committee meeting and an incomplete application may cause delay in the approval process. Any work, which requires or involves water, must be certified by M.U.D. As the member, I am responsible for all work performed by my authorized contractor and for removal of all construction debris. I agree to notify the Construction coordinator when I am prepared for final inspection.

**NOTE: REPAIR APPLICATION EXPIRES SIX MONTHS FROM DATE OF APPROVAL OR UPON FINAL INSPECTION, WHICHEVER COMES FIRST.**
