

FORT CLARK SPRINGS RECYCLE CENTER

Fort Clark Springs (FCS) has a Recycle Center located on Winchell Drive, turn left off Scales Road. Its a volunteer-run, drive-through warehouse, **open Thursdays 4 - 6 pm and Saturdays 8:30 - 12 noon**. FCS members and Kinney County residents may bring their recyclables to the facility. Please don't leave items at the gate or throw anything over the fence. Volunteers shouldn't have to pick up your stuff.

We all should try hard to recycle, it eliminates waste and keeps items out of the landfill. After shipping, many items are converted into new and useful products.

Working rules are:

- We take # 1 and # 2 plastic, the # is located within a triangle at the bottom
- No glass, no plastic bags, no aluminum foil or pie plates, no tissues
- Rinse out bottles, cans, coated wax containers. A water hose is available.
- Remove caps and tops on plastic, we compact them & they'll explode.
- No corrugated cardboard. Cardboard should be flattened and put at your curb on Mondays for trash pick up.
- Shredded magazines go into Mixed Paper NOT Office Paper
- Separate items before coming, to avoid blocking people waiting behind you.
- Please **THANK the Volunteer workers for their time and energy**

What we take at the FCS Recycle Center:

- # 1 plastic: water & soda bottles, clean fruit containers, # 1 **see through**
- # 2 opaque natural plastic: milk, gallon water, vinegar containers
- # 2 plastic: detergents, bleach, coffee containers
- Aluminum Cans: rinsed & crushed beer & soda cans
- Steel Cans: rinsed out veggies, soup, cat food cans
- Office Paper: white & colored printer paper, shredded paper, ruled paper, post it notes, ok with staples & clips. No envelopes w see through front
- Mixed Paper: magazines, catalogs, newspapers, business envelopes, junk mail, boxes from cereal, toothpaste, etc, paper bags, shredded magazines, boxes from beer & soda, phone books, hard cover books
